GIVE THE GIFT OF WARMTH

Over the past two winters, United Way of Long Island’s Project Warmth Emergency Fuel Fund received more requests for assistance than any time in its history. We invite you to take part in an extraordinary effort to raise \$1 million to strengthen Project Warmth’s ability to stay open all winter and help thousands of underserved Long Islanders.

For a contribution of only \$15, you can give the gift of warmth to families and children in need. Cozy up in a Project Warmth scarf to show your support!
