

**NEXT  
SESSION BEGINS  
March 19, 2018**

The goal of VetsBuild Long Island is simple ... to prepare our Long Island veterans for employment opportunities in Green Construction, Energy Efficient Weatherization, Information Technology, Advanced Manufacturing and Security.

- Construction and weatherization training at United Way's E3 SmartBuild Training Center (Energy/Efficiency/Education), a state-of-the-art facility equipped with the latest technology for hands-on training.
- Basic training in home performance and weatherization in the Green Industry field. Course includes 10-hour entry level OSHA certification training.
- Advanced training in HVAC industry, energy auditing, building performance and cutting edge composite technology and advanced manufacturing.
- Information Technology courses in network administration, cyber-security, computer science, coding and social media tools.
- Workforce Readiness coaching in 21st century workplace skills, preparing a job search and translating military experience for the job market to facilitate re-entry to employment.
- Financial Literacy teaching budget preparedness, credit building, debt management and asset development.
- Security – Certified Protection Professional (CPP) security management, includes CPR and AED (automated external defibrillator) training.
- Small Business Development introducing aspiring entrepreneurs to the dream of business ownership.

Classes may include certification upon completion. VetsBuild staff help connect graduates with advanced training and educational opportunities.
