*The Long Island Insurance Community (LIIC) began in 1995 when a dozen LI insurance industry leaders got together to create a vehicle to give back to the community and to those less fortunate. Today nearly 500 insurance industry executives and business leaders gather together to raise funds for Long Island charities, to date the LIIC has raised more than \$6 million. The goal of the LIIC continues to be bringing the insurance community together to change the lives of Long Islanders in need and improve the quality of life for their neighbors.*
