

Our Collective Impact

*Now more than ever we need **YOU**...*

- Raises funds supporting United Way of Long Island's programs that improve health, education, and financial stability for vulnerable families, seniors, veterans and individuals.
- Supports veterans through United Way's Mission United initiative, which provides housing assistance, job training, emergency financial assistance, and wraparound services to returning service members and their families.
- Funds scholarships such as the Camilla G. Belser Memorial Scholarship Fund, which helps Long Island high school seniors pursue higher education at local community colleges.
- Expands access to family stability and support services like food security, utility assistance, housing stability, and counseling.
- Champions workforce development by backing United Way's YouthBuild and VetsBuild programs, helping young adults and veterans gain technical skills, certifications, and pathways to employment.
- Provides emergency relief through contributions that allow United Way to respond quickly during crises - - helping families avoid eviction, stay warm in winter, or recover from hardship.
- Amplifies the impact of United Way's home repair and aging-in-place initiatives, particularly for older adults and veterans who need accessibility modifications and safety improvements in their homes.
- Drives nonprofit collaboration by enabling United Way to partner with dozens of local agencies and grassroots organizations, expanding the reach of services across Nassau and Suffolk counties.
- Leverages corporate leadership by engaging nearly 400 insurance industry professionals who serve as ambassadors, donors, and advocates for United Way's mission and the needs of Long Island communities.
