**UNITED FOR GOOD • UNITED FOR IMPACT • UNITED FOR COMMUNITY** 

## At United Way of Long Island, we are committed to building a brighter future.

Four simple words define United Way of Long Island's mission – **Health, Education**, and **Financial Stability**. Your support enables us to create stronger, more equitable communities where everyone can thrive.

- More than 25,000 children have received back-toschool supplies since 2010
- Over \$1 million has been awarded in academic and enrichment scholarships since 2002
- Over 30,000 families have received a grant to heat their homes since 1995
- 8-Time U.S. Dept. of Energy Housing Innovation Award Winner for affordable high performance homes

Because of you, we continue to build brighter futures for working families, children, veterans, older adults, and individuals across Long Island.

86 cents of every dollar raised goes directly to programs and services provided by United Way of Long Island to those in need.

30%

of Long Island households have difficulty meeting their basic needs.
